

About the Author:

Walasa Phiri has been married to the same woman for thirty-five years and has three children and two grandchildren. He has been involved in ministry with his wife since the beginning of their relationship. The purpose of their life and marriage is to know Jesus and make Him known to the world. Though born in America, Phiri has served as a pastor, evangelist, author, and missionary in multiple countries, including the last twenty-six years of service in Zambia and Kenya. While all the insights in this book are based solely on the Bible, he speaks as someone who has lived out his marriage in the African context for many years.
