

Hear from the jungle the  
roar sounding.

The Lion of Judah calling  
His own.

Africa, your time has  
come now

Africa, Oh! Will you  
boldly step out?

Africa to the nations  
Go in Christ's power,  
To the nations proclaiming  
the Gospel  
To the nations baptizing and  
teaching  
To the nations Africa  
Go to the nations!

Hear the rumble from  
the Kalahari to the  
Sahara,

A new life springing  
forth as Africa arises.

Africa, your time has  
come now.

Africa Oh! Will you  
boldly step out?

Africa,  
Hear the rumble!

Hear the roar from the  
mountain tops!  
Hear from the Zambezi

Hear from the thousand  
villages

The Good News of Jesus

Africa to the nations!
